ProofQuest fixture - page 1

PAGE_SENTINEL_001

Page 1 line 1: A variable stores a value. A loop repeats an action.
Page 1 line 2: A variable stores a value. A loop repeats an action.
Page 1 line 3: A variable stores a value. A loop repeats an action.
Page 1 line 4: A variable stores a value. A loop repeats an action.
Page 1 line 5: A variable stores a value. A loop repeats an action.
Page 1 line 6: A variable stores a value. A loop repeats an action.
Page 1 line 7: A variable stores a value. A loop repeats an action.
Page 1 line 8: A variable stores a value. A loop repeats an action.
Page 1 line 9: A variable stores a value. A loop repeats an action.
Page 1 line 10: A variable stores a value. A loop repeats an action.
Page 1 line 11: A variable stores a value. A loop repeats an action.
Page 1 line 12: A variable stores a value. A loop repeats an action.

ProofQuest fixture - page 2

PAGE_SENTINEL_002

Page 2 line 1: A variable stores a value. A loop repeats an action.
Page 2 line 2: A variable stores a value. A loop repeats an action.
Page 2 line 3: A variable stores a value. A loop repeats an action.
Page 2 line 4: A variable stores a value. A loop repeats an action.
Page 2 line 5: A variable stores a value. A loop repeats an action.
Page 2 line 6: A variable stores a value. A loop repeats an action.
Page 2 line 7: A variable stores a value. A loop repeats an action.
Page 2 line 8: A variable stores a value. A loop repeats an action.
Page 2 line 9: A variable stores a value. A loop repeats an action.
Page 2 line 10: A variable stores a value. A loop repeats an action.
Page 2 line 11: A variable stores a value. A loop repeats an action.
Page 2 line 12: A variable stores a value. A loop repeats an action.

ProofQuest fixture - page 3

PAGE_SENTINEL_003

Page 3 line 1: A variable stores a value. A loop repeats an action.
Page 3 line 2: A variable stores a value. A loop repeats an action.
Page 3 line 3: A variable stores a value. A loop repeats an action.
Page 3 line 4: A variable stores a value. A loop repeats an action.
Page 3 line 5: A variable stores a value. A loop repeats an action.
Page 3 line 6: A variable stores a value. A loop repeats an action.
Page 3 line 7: A variable stores a value. A loop repeats an action.
Page 3 line 8: A variable stores a value. A loop repeats an action.
Page 3 line 9: A variable stores a value. A loop repeats an action.
Page 3 line 10: A variable stores a value. A loop repeats an action.
Page 3 line 11: A variable stores a value. A loop repeats an action.
Page 3 line 12: A variable stores a value. A loop repeats an action.
